CONSTRUCTION MANAGER SELECTION SCHEDULE

- First Advertisement 04/02/2024
- Request for Proposals/Qualifications Release 04/02/2024
- Second Advertisement 04/15/2024
- Receive Proposals 04/25/2024 at 2:00 p.m.
- Submit the following: 04/25/2024
Ten (10) Bound Copies
One (1) Digital Copy
- Review Qualifications/Conduct Interviews 05/10/2024
- Board Approval of Construction Manager @ Risk 05/13/2024

Note: District may alter the schedule if it is determined that a schedule alteration would better allow the District to select the best possible firm. Vendors may contact District for any modifications.

*The language in the advertisement and other places herein this document may use the phrase "proposal" to mean "RFQ". Submitters may use either phrase on their package submission but should clearly state on the cover of the delivery product that the package is for the "Construction Manager At Risk" "RFQ", or "Proposal" so that the District can clearly separate out construction RFQ's from other deliveries not related to this competitive procurement. Submitters should understand and do acknowledge by submission that this is a request for qualifications and that this is NOT a request for proposals in the traditional sense the term "proposal" may be used.

By submission of the RFQ, submitters agree that all submitted materials are the property of the Brownwood ISD and that all responses and any and all costs related to any part of this RFQ are submitted voluntarily and without charge to the District. Submitter agrees by submission of this RFQ that there shall be no liability to the District related to the submission of this RFQ.

SELECTION PROCESS

Step One

1. The selection process for this project will be accomplished in a one-step process as provided in the Texas Public Education Statute, Chapter 44, Subchapter B.
2. The District will receive, publicly open, and read aloud the names of the offerors submitting a Request for Qualifications. Include in the Request for Qualifications supplemental forms included as:
 - Appendix B – Fee Proposal
 - Appendix C – Felony Conviction Notice
 - Appendix D – Suspension and Debarment Certification
 - Appendix E – Certification of Residency
 - Appendix F – Non-Appropriation Provision
 - Appendix G – Indemnity Affidavit of Contractor
 - Appendix H – Conflict of Interest Questionnaire
3. Per the schedule published in this document, the District will evaluate and rank each submission in relation to the criteria set forth in the request for construction management at risk qualifications.
4. A selection committee appointed by the Administration and/or the School Board of Trustees and may consist of representatives from the Brownwood Independent School District, Board members, community members, or other interested parties.
5. Submissions will be evaluated and ranked by the selection committee. The final selection of a Construction Manager @ Risk for this project will be based on a combined evaluation of qualifications and cost of services to determine the best value to the District. The District reserves the right to waive any informality and to reject or accept any or all Proposals.

RFQ # 04-2024

7. Safety:

7.1 Describe your safety program and safety philosophy.

8. Cost Information:

8.1 Savings:

Describe your organization's concept for the disposition of savings realized during construction. Is the full amount or a percentage thereof returned to the owner?

8.2 Cost Estimate:

Attach a sample conceptual cost estimate prepared during the design phase of a project, and a sample of the final cost estimate/breakdown used to fix the contract amount for the construction of the same project. (The identity of the project may be concealed. The intent is to see the nature and format of the cost information provided.)

8.3 Contingencies:

Respond to each of the following items by separate paragraph:

Pre-Construction Services

- Describe your organization's concept for cost contingencies during all design phases. What is the maximum amount of contingency your organization proposes for each phase?

Construction

- What is the maximum amount of your construction contingency your organization proposes for this phase?
- How do you propose to document changes to your contingency during construction?
- How are buy-out funds documented during the construction phase?
- Should buy-out funds be allocated to the contractors, owners, or a general construction contingency fund to be used by both the contractor and the owner?
- What is your organization's concept for the disposition of contingency funds after the completion of the project?

8.4 Cost Information:

Your firm would be required to make all cost information during design and construction available to owner and architect. Describe how this information would be furnished and how the owner and architect would be assured that it is complete and accurate.

9. References:

For the projects listed above, identify a representative of the Owner and a Representative of the Architect (provide name, telephone number and fax number) whom we could contact as references regarding your organization's services. References should include Owners of projects of comparable scope.

RFQ # 04-2024

10. Owner/Contractor Agreement:

The Owner will utilize the AIA Document A133-2019 contract unless specified by owner. A draft contract is available for review.

11. Fees and Pricing and Delivery Proposal

11.1 It is anticipated that Brownwood ISD will enter into a fixed-sum contract with the Construction Manager-at-Risk. Submit proposed fees by completing and submitting Appendix B with the proposal. The fee should be divided into two parts, as indicated in the following paragraphs.

Preconstruction Services Fee

To include personnel expenses, project estimates, preliminary project schedule, value engineering and constructability reviews, overhead and profit, and other services described below, through the Design Phase portion of the Project.

Construction Phase Services Fee

To include overhead and profit to administer the Projects' construction, including, but not limited to, the services listed below through the Construction Phase of the Project.

The fee quoted will not include direct project management expenses (on-site personnel expenses) or direct project expenses. These items shall be included in the Construction Manager's anticipated Indirect Costs.

Describe the method of payment your firm would desire, including when various fees would be due.

Anticipated General Conditions

Please submit anticipated General Conditions. These represent minimum standards; if the Construction Manager anticipates additional General Condition items, they should be added to Appendix B of this RFQ.

The Construction Manager should take into account that the work will likely be phased at the different locations. Specifically, work will begin at the Middle School before construction will start at the High School.

11.2 General Conditions:

Include an itemized cost breakdown per project of all General Conditions that will be applicable to each of the projects. Include all site costs for the job personnel as well as all reimbursable overhead items. Include all bonds and insurance costs. The total amount shall be provided in dollar amount for each project. These figures will not be used in the evaluation but will be available to discuss during negotiations. This information shall be included on the Proposal Tabulation Form listed in Appendix B.

The following items are to be included in your "Fee" percentage rather than as General Conditions:

- Field office staff bonuses
- Off-site staff costs
- Vehicle mileage to the project site for field office staff
- Safety Supervisor inspections
- Personal computers/computer charges

PAST PERFORMANCE (35% of total rating)

3-5 of the most relative projects submitted will be evaluated for past performance by checking references with project's owner/architect. The following are a sample of the questions that may be asked:

1. How would you rate the firm's overall performance on your recently completed project?
2. Was there continuity in the firm's principal team throughout the life of the project?
3. Would you hire this firm to do another project with you in the near future?
4. How would you rate the firm's communication approach? Were problems identified early? Were solutions readily offered?
5. After completion, how would you rate the quality of the facility? Have you had many warranty claims?
6. Was there cost growth during construction? If so, was it caused by unforeseen conditions, contractor error/miscalculation or additional scope?

SUSPENSION AND DEBARMENT CERTIFICATION

Federal Law (A-102 Common Rule and OMB Circular A-110) prohibits non-federal entities from contracting with or making sub-awards under covered transactions to parties that are suspended or debarred or whose principals are suspended or debarred. Covered transactions include procurement contracts for goods and services equal to or in excess of \$100,000 and all non-procurement transactions (e.g., sub-awards to sub-recipients).

Firms receiving individual awards of \$100,000 or more and all sub -recipients must certify that their organization and its principals are not suspended or debarred by a federal agency.

Before an award of \$100,000 or more can be made to your firm, you must certify that your organization and its principals are not suspended or debarred by a federal agency.

I, the undersigned agent for the firm named below, certify that neither this firm nor its principals are suspended or debarred by a federal agency.

CERTIFICATION OF RESIDENCY

Chapter 2252 of the Texas Government Code relates to Resident versus Nonresident and the requirements governmental entities must follow when awarding contracts to Nonresidents. The pertinent portion of the Chapter is as follows:

2252.001...

"Resident" refers to a person whose principal place of business is in this state, including a contractor whose ultimate parent company or majority owner has its principal place of business in this state.

"Nonresident" refers to a person who is not a resident.

"Governmental contract" means a contract awarded by a governmental entity for general construction, an improvement, a service, or a public works project or for a purchase of supplies, materials, or equipment.

2252.002...

A governmental entity may not award a governmental contract to a nonresident bidder unless the nonresident underbids the lowest bid submitted by a responsible resident bidder by an amount that is not less than the amount by which a resident bidder would be required to underbid the nonresident bidder to obtain a comparable contract in:

- (1) the state in which the nonresident's principal place of business is located; or
- (2) a state in which the nonresident is a resident manufacturer.

Please complete the appropriate statement below:
