

## Coach Hohertz

My name is Coach Hohertz and I am the Girls Athletic Coordinator and the Head Basketball Coach. I have been married to my husband Ricahrd Perez for a year. I was born and raised in Priddy, Texas where I was active in all sports. In 2003 my two sisters and I won the Division II 1A State Championship and Texas Cup. I was most passionate about basketball and that is what led me to play basketball at Howard Payne University. I had the privilege of playing four years of college basketball. I graduated in 2007 with a B.S. Degree in Exercise Sports Science. I am currently entering my 11th year at Brownwood. I love teaching and coaching and am excited about what the 2018-2019 year holds for the Lady Lion program!
