

# MRS. HOLCOMB

Hello my name is Becky Holcomb and I teach 5th and 6th grade Art at Coggin Intermediate. I have been teaching with BISD for 24 years. I graduated from Cooper High School in Lubbock, Texas and attended Howard Payne University. I received a Bachelor of Science degree in Reading with a minor in Math. I have three children that attended Brownwood schools and I now have four grandchildren. I'm currently working on my master's degree from Angelo State University. I love children and I love my job! I enjoy running and bike riding when I'm not working. I believe all children can learn and I can find a way to teach them.

Phone: 325-646-0462
