

Mrs. Theresa Mosqueda

Hello, my name is Theresa Mosqueda. This will be my 30th year of teaching. I taught 3rd grade for 13 years before moving to 4th grade. Wow, it doesn't seem like it has been that long!

This year, I am team teaching with Mrs. Courtney Kemp. I will teach reading and writing, and she will teach math, science and social studies. I am excited to be team teaching again!

I have been married to Raul Mosqueda for 27 years. We have two beautiful children. Alexis will attend Tarleton in Stephenville this fall, and Dany will attend UTSA in San Antonio. You will get to know more about them throughout the year.

I received my bachelor degree from Southwest Texas State University, which is now Texas State University, and I completed my masters in teacher leadership through Lamar Universtiy.
