It is crucial that you attend and participate fully in each class. Many of our experiences will be group experiences! It is expected that students will come prepared for class. Your attendance, even if you are not presenting, is especially important since you will be expected to analyze and critique other students in a constructive and positive way.

Participation: Students are expected to be fully engaged during class, participate in discussions, provide feedback and ask questions. Your participation will affect your grade for this course. **NO GUM ANYTIME!**

Class Outline

This is a general idea of what we will be doing this year. Disclaimer: This is the FIRST Musical Theatre Class taught at Brownwood High...Mrs. Lee reserves the right to change things if she feels inspired to do something different! Students will be given a detailed schedule at the beginning of each 6-weeks.

6 weeks 1: "Getting to Know You"

Students will receive basic vocal, dance, and acting techniques that will help them find their "character" while enhancing their voice, dance, and acting. Groups and pieces will be auditioned for Texas Thespians Contest.

6 weeks 2: "I Hope I Get It"

Students will again receive intensive vocal and dance coaching, and prepare an audition binder. This 6-weeks will also have guest lecturers and performances.

6 weeks 3: "As Time Goes By" and "Magic to Do"

Students will gain an understanding of the chronology of American Musical Theatre, as well as dabble in technical aspects of the theatre (Sound, Lighting, Costumes, Makeup)

6 weeks 4: "All I Need Is One Good Break"

Students will gain an understanding of the world of professional musical theatre. With an emphasis on Regional, Repertory, Off-Broadway and Broadway requirements, Audition Process, Touring, rehearsal and performance schedule as well as information on Actors Equity and what it means for them in Texas and beyond.

6 weeks 5: "Put on a Happy Face A.K.A Empty Chairs and Empty Tables"

This 6 weeks we will place emphasis on making musical comedy comedic as well as meeting the demands of musical drama. Students will work on the Stanislavsky method of acting and how emotional recall plays a part in developing well-rounded emotional characters.

6 weeks 6: "Applause"

This 6-weeks we will combine what we have learned throughout the year and present a showcase for anyone to come see! Performers will be chosen from workshops done throughout the year, both solo and company numbers. Everyone will have a place!

Please return this page by the first Friday of classes, signed by the student and the parent. I have read the Musical Theatre Class Syllabus for 2017-2018, and understand what is expected of my student.
